

Delivery Driver Position

Homestead Structures provides a unique operating system. Here, a crystal clear vision is seen (we know where we are going), traction & momentum is felt (people, tools, disciplines, and accountability are in place to execute the vision), and team health thrives.

Homestead Structures designs and builds high-quality, hand-crafted outdoor living structures. Due to a demand for our quality buildings, we are in need of a Driver to deliver and install our shed and outdoor living structures throughout the mid-Atlantic region from our location in New Holland, PA.

If you are looking for a challenging position that includes hauling wide loads – look no further! Primarily, you will be responsible for Delivery of assembled structures, adding the finishing touches, and completing minor repairs to siding, doors, roofs as needed. As a representative of the Homestead Structures team, you will address customer concerns and ensure satisfaction. Secondary functions of the job include general hauling & maintaining truck/equipment.

We need a highly dependable and experienced Delivery Driver with an ability to handle basic carpentry, framing, or construction knowledge! A Driver's license and class A CDL, a clean driving record, Experience with a Mule, Moffit or forklift is required. Some construction/building experience preferred but not required.

If you enjoy hauling, working independently, & making customers happy, this is the position for you! In exchange for your hard work, Homestead Structures offers full-time work, competitive pay, vacation and paid holidays and other benefits.

Our culture drives our passion for excellence in every customer experience. As an Amish-owned business with an employee-focused and quality-minded work environment, we take pride in work we perform, integrity in all aspects, and accountable for our actions. It is these values and business culture that sets us apart from our competition.
