

Director of Finance & Administration

Homestead Structures, New Holland, PA, offers a wide range of Amish-built custom structures for outdoor living spaces including pool houses, storage sheds, pavilions, garages, tiny houses, cabins, and barns.

Founded as a family business in 2003, Homestead Structures provides families with quality and distinctive structures that fulfill their personal needs and provide a place to build relationships and magnify a sense of peace and joy in their homes. With a passion to help people thrive, the Homestead team operates by biblical principles and strives to put God first in all things.

Homestead Structures is seeking a full-time Director of Finance & Administration to provide financial leadership for the organization, as well as various other related companies and real estate holdings.

A hands-on position, the Director of Finance & Administration will be responsible for leading the overall financial strategy and executing financial and accounting operations including financial planning, reporting, budgets, forecasting, cash management, and compliance. The ability to proactively provide accurate financial information and serve as an advisor to company owners in making effective decisions is essential to the role.

The successful Director of Finance & Administration candidate will build relationships externally and internally across departments, supporting and serving others, while furthering the team environment.

Director of Finance & Administration Position Qualifications :

- Bachelor's degree in accounting, finance, business, or related field, required
- At least five (5) years of experience in a financial or accounting related position, necessary
- Experience within the construction industry, a plus
- Proficiency with technology including Microsoft Office Suite, essential
- Demonstrated community involvement, strongly preferred
