

## Production Worker New Holland, PA

We are seeking a Production Worker who is knowledgeable and willing to work very physically in multiple trades. If you have previous experience in the construction industry with multiple trades and can read and interpret blueprints and construction drawings, please consider joining our team.

### Responsibilities

- **Collaborate** with the rest of the team to work together in an efficient and professional manner.
- **Create** and maintain first-class organization in your department to drive continuous improvement in efficiencies.
- **Frame** structures like cottages and poolside structures.
- **Install** different types of windows, siding, and trim.
- **Finish** interiors with attention to detail. Includes drywall, trimming, and kitchen and bath components.
- **Pack** poolside structure projects for our installation crews to install on the job site.
- **Paint** and stain etc. trim and interior boards.
- **Other opportunities** include electrical, plumbing, HVAC, and other key trades.

Since 2003, Homestead Structures has built outdoor living structures with excellence and passion. We use traditional building techniques and modern materials handcrafted by primarily Amish crews. As a family-owned business founded on biblical principles, we have cultivated an employee-focused environment by respecting everyone we encounter and upholding our core values: **personal accountability, integrity, quality, customer-oriented, and continuous improvement.**

### Our Ideal Production Worker:

- **Experienced:** Has 3+ years of construction experience and the ability to read blueprints and construction drawings are required.
- **Problem Solver:** Gathers and analyzes information quickly to identify and solve problems in a timely manner.
- **Flexible:** Is able to work in multiple departments in multiple trades.
- **Physically Fit:** Has the physical capability to work productively in a production setting.
- **Attention to Detail:** Looks for ways to improve and promote quality and demonstrates accuracy and thoroughness.

### What We Offer Our Production Worker:

- \$20-\$30/hour (contingent on experience)
- 50-hour work week (w/ overtime pay)
- Health insurance stipend
- Paid vacation
- Paid holidays
- Profit sharing

- Continuous education and training
- A respectful company culture that encourages everyone to improve each day
- A faith-based work environment with a solid organizational structure and a strong vision
- A team that strives to serve each other and their customers

### **To Apply**

If you have previous experience in the construction industry and can read and interpret blueprints, please submit your resume for our Production Worker position.
